BIG SLUMP IN COTTON CROP.

Loss of Nearly 18 Per Cent. in Average Condition.

TEXAS WORST SUFFERER, PROFIT - TAKING LATER.

Alabama Brings Average Down to 64, Almost a Record Low Figure.

WASHINGTON, D.C., Sept. 3 .- The to have been 64, as compared siderably to-day. with 81.9 on July 25; 71.4 on Aug. 24, Under the stimulus of the excited ten year average of 73.7.

dition on Sept. 1, 1896, is due mainly to the reports from Texas and Alabama,

poorest ever known. Georgia reports 9 points below its ten-year average, the condition figures being one point below dent's safety came stocks advanced the corresponding averages in 1899 and again.

The condition in Louisiana is the same as on Sept. 1, 1900, or points below its ten-year average. Mississippi reports 7 points below its ten-year average, but its condition is still 8 points above that at the corresponding date in 1800.

South Carolina is within 1 point of its ten-year average, and North Carolina. Tenessee and Arkansas are 2 points, 7 points and 1 point above their respective ten-year averages. There are gening and imperfect development of boils, and from Bouth Carolina—a State which reports are far from being among the most unfavorable—the statement is made on the authority of ginners that about 14 per cent, more seed cotton is required for a 500-pound bale than in an average year.

The average year.

The average year.

The average of conservative and that the Voting Trust would soon be dissolved, the activity in this issue was again pronounced.

The statement was made in an emphatic way by brokers who have been purchasing heavily that the agreement contemplated taking over the common stock at an upset figure of 90.

George Gould's Western tour of inspection of the Gould properties has resulted in orders to develop the Southwest this year have impressed him with the necessity of being better pre-

average year.

The averages of condition in the different States are as follows:
Virginia, 89; North Carolina, 80; South
Carolina, 74; Georgia, 68; Florida, 75;
Alabama, 54; Misrissippi, 68; Louisiana, 76; Texas, 53; Arkansas, 75; Tennessec, 82; Missouri, 73; Oklahoma, 76; Indian
Territory, 68.

CURB MARKET ACTIVE.

There was no especial feature in the outside market, although most of the lasues were strong and active. Northern Securities sold up in the early trading to 113 1-2. Realty common advanced to 36 7-8 and Rock Island to 52 1-2.

The lack of any news to have to the stocks and let them advance of the own volition.

Atchison was weak in the afternoon, and this weakness was promoted by the announcement that John W. Gates had some to Europe for an indefinite period.
